

Book Group Non Fiction Report 2024

The group has been running since March. We plan our reading for a year ahead to ensure that we get a variety of genres. So far we have read and discussed the following books. Some were more accessible than others but this did not affect the amount of discussion. We would welcome new members.

- The Penguin Lessons ...Tom Michell
- View from the cheap seats ...Neil Gaiman
- The Girl with 7 Names: A North Korean Defector's Story ...David John and Lee Hyeon-seo
- The Science of Storytelling ...Will Storr
- The Professor and the Madman ...Simon Winchester
- The Year of Living Danishly ...Helen Russell
- How to teach Quantum Physics to your Dog ...Chad Orzel
- Pegasus ... Laurent Richard and Sandrine Rigaud
