# London Discovery Group Report 2026

Since the last AGM we have had about 57 outings. A fantastic total.

We have had a variety of walks - Xmas lights, Kensington Gardens Rotherhithe, Belgravia and many more.

Visits included Grand Order of the Water Rats, Bow St Museum., International Maritime Organisation, Hampton Court, Beddington Recycling, Kenley Airfield and more.

We now have over 400 members on the mailing list so it is huge challenge to provide enough trips to meet the demand.

11 members have led outings for us. On your behalf I extend a huge 'thank you' to them.

Demand is high so I hope other members come forward with offers of help

Elizabeth Whittaker
Group Leader
