

# Travel Report 2025

The Travel Group changed organiser this year as I took the group on from Mike Bridgen who set it up. Meetings are still held on Zoom on the third Wednesday of the month as this format suits the members, and it is easy to show presentations on the screen.

Over the last year, we have had presentations on Southern Africa, China and India and held discussions on travel in Australia and how to plan a trip.

Not surprisingly, many of the group travel extensively! As a result, we try to be a bit flexible with our meetings, but we do try to stick to the scheduled date.

For the same reason, we have not had many social meetings, which we try to do, as Zoom meetings are not conducive to social interaction. We did have a get together hosted by Ian and Heather at their house, which was a very pleasant evening.

The focus of the group may well change, so do monitor the website regularly to see what is being planned. As the group meets on Zoom, membership is open. Unfortunately we can't record our meetings as our Zoom licence doesn't allow for this so attendance in person is essential.
