Web and Publicity Report

Caterham and District u3a AGM

November 2026

Web

The website has been stable and working well all year, with around 5000 visits a month spending on average 5 minutes a visit.

We've had over 120 new membership applications using the online webform.

Publicity

Membership has been growing so quickly we haven't needed to do much publicity. We do have an open morning scheduled for 2027 focused on "How can I best use my u3a membership?" This will be in the URC Hall in Caterham on Thursday 30th September 2027 between 10am and 12 noon.

Both Facebook groups are still active and we have 206 members of the closed group, and 224 followers of the open group.
